DIRECTOR'S MESSAGE

HAPPY NEW YEAR! As we move in to a new and exciting year, we can't help remembering the year past with all of the activities club members were able to enjoy because of their affiliation with the NGC. We are truly blessed as a group because of the wonderful members that comprise the Chinook District.

In the New Year we are already getting ready for some fun times and ways to increase our knowledge. I hear people are already buying their tickets for a great morning of entertainment at Enumclaw Garden Club's "Breakfast for the Birds". At state level is "Gala". At District level we will have the Environmental School put on by Parkside and the District Design Classes. These opportunities are available to all members in addition to all that the individual clubs offer their members.

Of course, these opportunities take someone to put them on.

I have a challenge for you. For a News Years Resolution, instead of a new diet, how about "I Will Make a Difference" or "I Will Help a Friend"? Either one is easier than a new diet.

BLUE STAR MEMORIAL, TAHOMA NATIONAL CEMETERY

On behalf of Chinook District, I would like to thank Marine Hills and Parkside Garden Clubs for their generous contributions to the Blue Star Memorial fund. As previously reported, it will be necessary to replace some of the shrubs next spring. Any donation from other clubs would be appreciated.

Additionally, I heard from several garden clubs and individual garden club members who sponsored wreaths placed at Tahoma National Cemetery as part of the “Wreaths Across America” program. Nationwide, more than 1.5 million wreaths were laid on the tombstones in national cemeteries. In Washington State alone, there are more than 50,000 veterans’ graves on which wreaths could be placed; more than half are located at Tahoma National Cemetery. Thanks for supporting such a worthy cause.

GARDEN CLUB NEWS

Auburn

President: Maggie Lindsey 253-839-8092 maggie.v.lind@gmail.com

In December we had a celebration of friendship with our happy holidays potluck luncheon. We made holiday wreaths and swags for ourselves. Evelyn Dahlman made and small floral arrangements for residents of Terry Homes. We donated food, clothing, and toiletries for the Food Bank to give to those in need. We also donated a copy of The Frightened Frog to the Auburn Library.

Our meeting on January 9 at 10:00 a.m. will feature Courtney Sullivan with a program "Making the Backyard Habitat Friendly", so we can learn how to Plant American with diverse native and pollinator plants. We will meet in our usual venue in the William Warren Building in Veterans Memorial Park. Anyone interested in attending is welcome; a donation to our local food bank would be appreciated.

Des Moines

President: Kris Ripley 253-852-7462 krisripley12@yahoo.com

In December we had our annual holiday luncheon at Anthony's Home Port in Des Moines. We exchanged homemade gifts. Leftover funds were donated to the Des Moines Food Bank. During the year we donate to Highline Botanical Garden, Lake Wilderness Arboretum, WSFGC Teacher's Conservation Scholarship, Chinook District Scholarship, WSFGC Scholarship, Des Moines Food Bank, Nature Conservancy, World Gardening, WSFGC Headquarters House, and Habitat for Humanity.

One of our January 8 programs will be "Sharing about our Collections." Teenie has asked that we bring samples of thing we've collected and tell about them, which will be a fun way to learn more about our gardening friends. At lunch time we share evaluations of the horticulture brought for our "mini" show. In January, members will bring designs showing motion or a design using three flowers and dried branches. The afternoon speaker will be Jason Billingsly, who will discuss landscape design for problem areas line hillsides.

In February we will again make floral designs in coffee mugs/cups. These will provide cheer for those in Wesley Gardens Nursing facility. We hope to make at least 40 cups this year.

Enumclaw

President: Connie Keen 360-825-5085 keenck@msn.com

The Enumclaw Garden Club enjoyed a Christmas party. The Wabash Men's choir led the singing. Door prizes and a luncheon followed.

The January meeting will feature a program "Orchard Mason Bees" by Olivia Shangron. The meeting starts at 10:30 a.m.

February 21, 2018, will be our annual Breakfast for the Birds. The speaker is Cisco Morris. Doors open at 9:00 a.m. The categories for the hat parade are Shaking and Quaking, Serene Gardens, Gone Fishing, Light and Bright and Brilliant Ideas. Tickets are available from Marilyn Topp (253-862-8772) for a donation of \$20.

Maple Trails

Co-presidents:

Sheryl Michler 253-631-1004 asmichler@mich.ws

Joanne McCandless 253-833-1394 dkmccandless@msn.com

Our November meeting was a design-centered one to which we each brought greens from our gardens and ribbons from our home stashes. The club purchased containers and foam, and we spent the day making evergreen arrangements which we delivered to the Fountain Court assisted-living facility in Maple Valley. There were enough arrangements for them to put one on each table in the dining room and still have some left over for those unable to come to the dining room.

In December, we thoroughly enjoyed our annual Christmas party potluck and gift exchange at the beautiful home of Joanne McCandless. At this gathering, we also collected donations for the Maple Valley Food Bank and purchased our tickets for the Breakfast for the Birds.

We decided last June to not meet in January but to extend our year to a June meeting. This move was made to accommodate those members who travel south in the winter and to spare the rest of us from potential bad weather driving in January.

Marine Hills

President: Diane Goss 253-839-4470

dianegoss@comcast.net

Our November meeting opened with a wonderful demonstration by Debbie Angel who taught us how to make small mass arrangements using materials mostly from our gardens. Some very creative arrangements were made and these efforts were gifted to Brookdale Foundation House where we hold our meetings. After this event, three members signed up for the district's floral arrangement classes.

We also planned for our table designs and the raffle baskets for the District Luncheon. I am pleased that we won first place for one of our tables and enjoyed the vintage fashion show very much.

Our December meeting was held at Debbie Angel's home for a potluck, gifts (thanks to Maxine Ranta, our resident shopper), and a wonderful time.

Everyone is welcome to attend our meetings which are the 3rd Tuesday of the month at 6:45 PM. January 16th will be "Down and Dirty: Soil Building Secrets for Greener Gardens" by Elizabeth Murphy, soil scientist and author.

We had a great time at the District Christmas luncheon and then at our club luncheon a couple days later.

Our January 19 meeting's guest speaker will be Karen Benson-Huck, a Master Gardener giving a program about soil.

Parkside

Co-presidents:

Kathy Linnell 206-651-7787 kellinnell@comcast.net
Chris Calderon 206-242-1955 christine.calderon@gmail.com

Parkside meets monthly September through June. The November program was presented by arborist, Stephen Higgins of Living Green Tree Care in Normandy Park.

December found 32 of our members decorating four tables, enjoying the lunch and vintage clothing fashion show and program at the Chinook District Holiday Luncheon.

We submitted a grant application to Plant America Community Project grants, meeting the November 1 deadline.

Our program for January 18 is "A Bouquet from Tory". Valuable design techniques will be demonstrated by Tory Bennet, a National Garden Club Judge and a member of the Chinook District Judges Council, the Designer's Guild, and Enumclaw Garden Club.

Our Facebook and website pages continue to have new viewers. Current photos of our activities as well as interactive email is available on both sites.

Environmental School Course 3 will be offered April 17-18, 2018, at the Normandy Park Cove.

Sunset View

Co-presidents:

Eileen Sunderland 614-563-2633 eileents@hotmail.com
Dodie Hayes

For our November meeting, our group went to Molbak's Garden Center in Woodinville and lunched at their café. Longtime member Kathryn Watlet passed away. We attended her funeral and reception.

In December, we had our annual wreath and swag-making workshop at a senior assisted-living complex in Renton. We made around 50 swags, and the ladies at the facility provided lunch.

Three members made 20 table arrangements for another senior assisted-living home as Christmas decorations for the dining hall.

Almost all our members attended our annual Christmas luncheon at Vince's Italian Restaurant. We had a wonderful time with food, conversation, and a gift exchange.

Flower Gals

President: Maxine Ranta 253-946-3733
dulcie49@yahoo.com

On December 19 Flower Gals members had lunch at Watson's in Puyallup. Afterwards we all had a chance to wish each other a Merry Christmas and to shop.

On January 23 (the fourth Tuesday of the month) we will have a workshop on propagating hydrangeas at 10:30 in the Victoria Room at the Pierce County Master Gardeners Demonstration Garden in Puyallup. Attendance is limited to 20 people and everyone must pre-register. If you are a member of Flower Gals and would like to attend and have not yet registered, please contact me.

Those Clubs listed in the Directory are expected to have at least five design entries, but no more than seven, and at least one artistic craft entry per club.** Each participating club should bring at least one design entry for each of the schedule's design classes. NEW FLOWER SHOW INFORMATION

All standard flower shows must have at least four entries per design class to qualify as a Standard Show. This is a change this year from National Council. Chinook District Flower Shows must meet this qualification to attract judges for our shows, as judges will only get judging credits for Standard Flower Shows.

The rule change means each of the four clubs participating in the design section must bring five to seven designs, and they must submit at least one design for each design class in the flower show. Some smaller clubs may find it challenging to meet this requirement. If so, please contact Elle Designer's president or another participating club to ask for help in filling the classes.

Participating clubs should also bring at least one artistic craft entry.
